

From OR TAMBO International Airport

Coming out of the airport follow the **Johannesburg** pointer boards (R24).

You will pass the Barbara Road offramp as well as the Edenvale offramp. After the Edenvale offramp, the highway turns to the right and merges with another highway to form 5 lanes of traffic. It is important for you to stay in the middle of these 5 lanes as the road splits immediately after this merge into three different directions. You will now need to follow the **Pretoria** signboards towards Pretoria. **Keep in your middle lane**, this joins up with another lane and makes a 360 degree turn to the left. This will bring you onto the N3 towards Pretoria. You will pass the Linksfield, Modderfontein, London Road and Marlboro Road offramps. After the Marlboro Road offramp the highway again splits into two different directions, and again into two. Keep left throughout this and you will come out on the M1 South towards Johannesburg.

Follow the M1 South towards JHB
